Sarah Connor – From Sarah With Love

For so we were
And yes I
What we

But so in the rain
Felt the night you said
That love had

I you were not my kind
I thought that I could
.....

The passion and love you were feeling
And so you for new

And now that you're and away
I'm sending a letter

From Sarah with love

*She'd got the lover she is of
She found the words to
But I that today
She's send her letter*

From Sarah with love

*She your to the stars above
And they her it is
She could dare to fall in love
So don't make her blue
When writes*

From Sarah with love

So the chance for romance
Is a train to before it's gone
And maybe it's an illusion
To hope behind the clouds you'll find the sun

But I'll on hoping and praying
There will be a day when we again

And I'll on waiting and dreaming
You're enough to

As long as you're so away
I'm sending a letter day

From Sarah with love...

From Sarah with love

*She'd got the lover she is of
She found the words to
But I that today
She's send her letter*

From Sarah with love

*She's gotta know what you are of
'Cause every little now and then
And again and again
I know her heart
cries out you*
